HOT TAKE

Basic agencies have 6–12 months

WHY

Clients are learning to use AI to use software

Setup and management alone won't hold up.

THE QUESTION

"Why not just ask Claude?"

Your clients will ask it. Have a real answer.

LEVER 1

AI competency

The gap between what you can build and what they know is your margin.

LEVER 2

Wrap it simpler

Most people will never use HighLevel directly. Make it simple.

THE SHIFT

Don't sell software.
Sell the gap.
