GET REAL · EP. 3

They said yes. Then they ghosted.

The framework I use to turn a positive call into a payment.

THE RULE

Deposits before withdrawals

Give value, listen, make them feel heard. Then ask.

CLARITY 1

They understand they have a problem

Ask questions until they say it out loud.

CLARITY 2

They trust you to fix it

Don't say “we can fix that.” Show exactly how.

CLARITY 3

They have a way to pay you now

Payment link ready before the call ends.

COMMITMENT

Actions they take only with you

A lead magnet, a video, a reply. Track it with an engagement score.

CLOSE

Get paid live

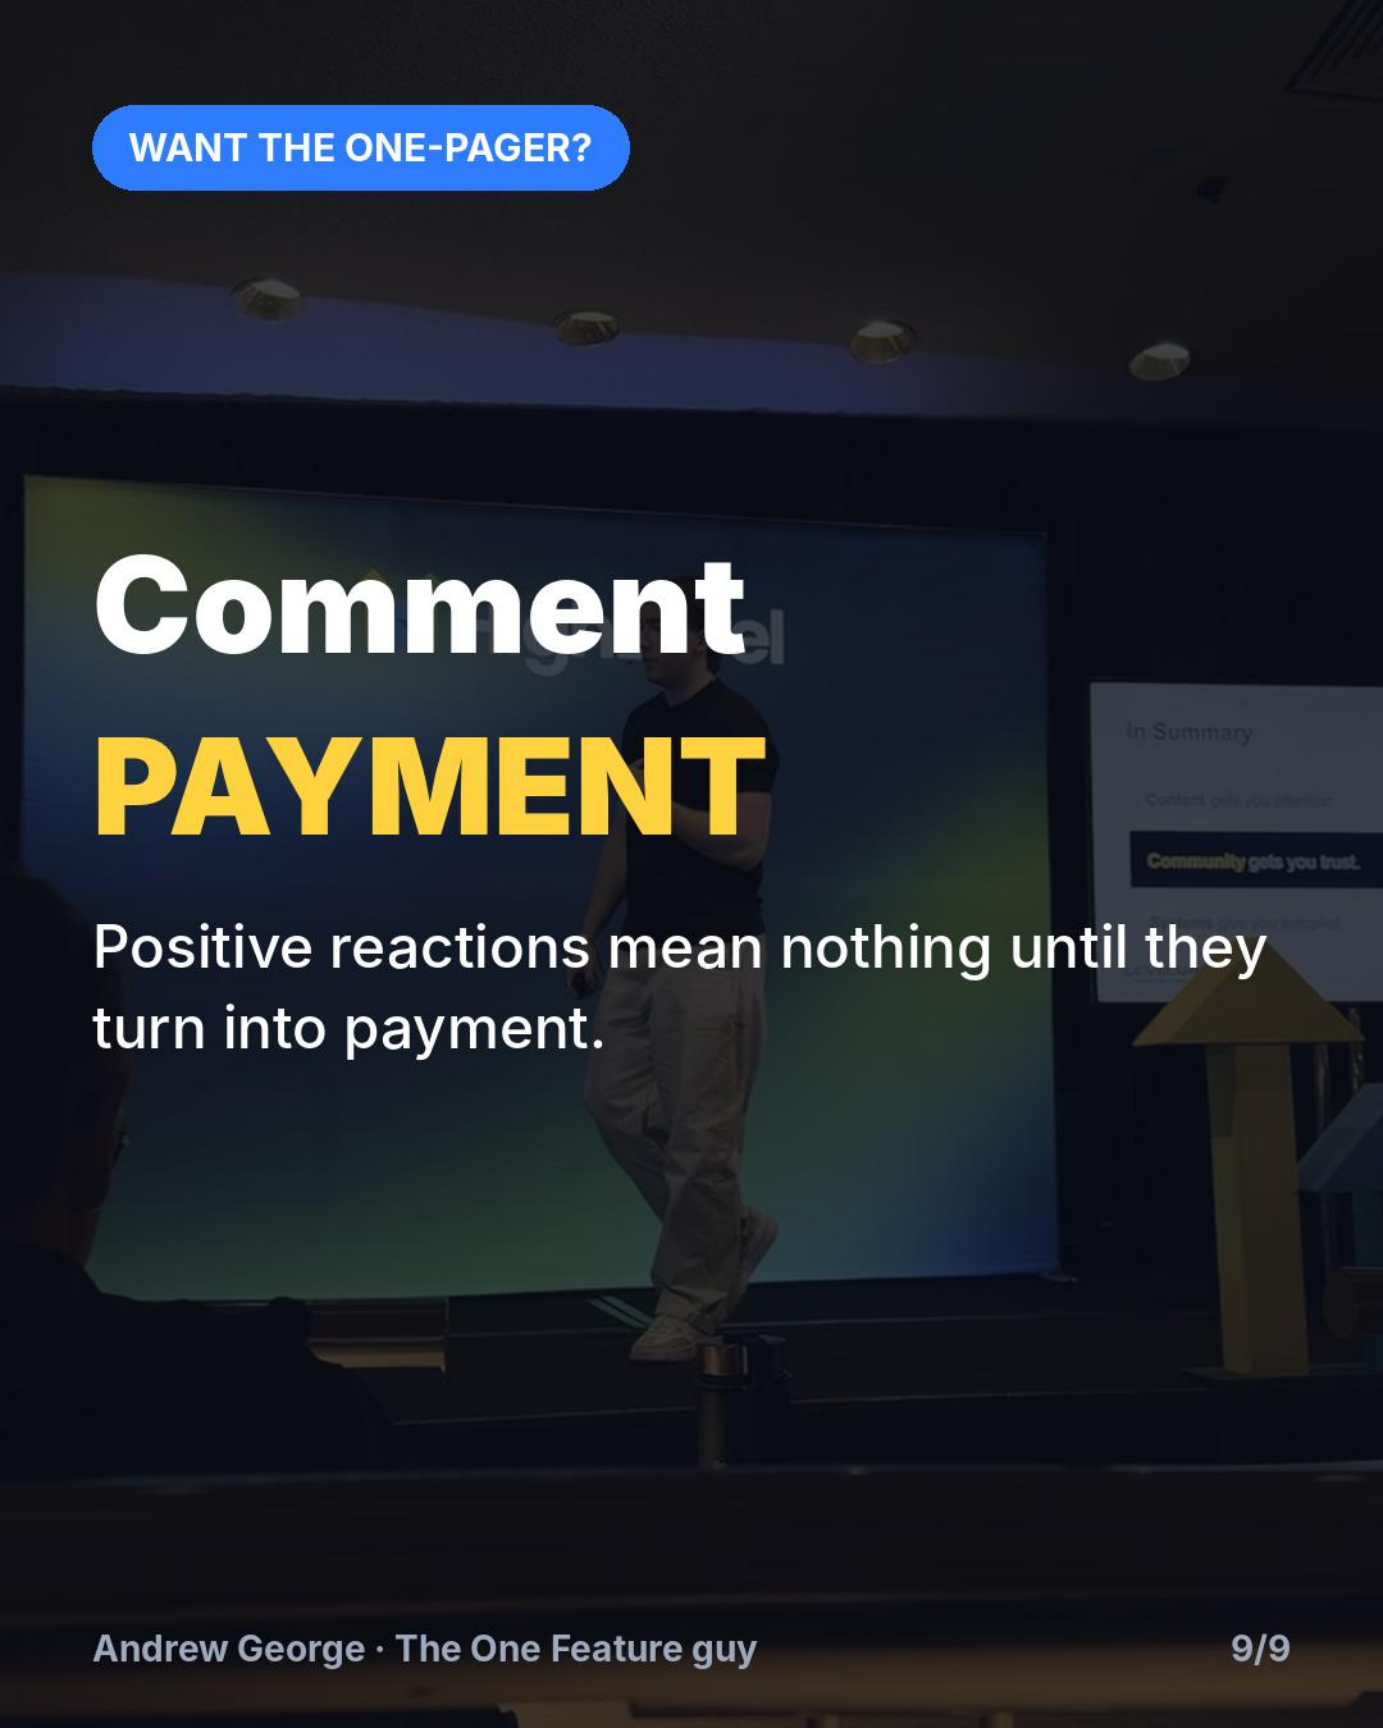

If it feels high pressure, you haven't sold them yet.

AFTER

Reinforce the decision

A thank-you, something extra. Buyer's remorse is real.

Comment PAYMENT

Positive reactions mean nothing until they turn into payment.
